**ORDER**

WILLIAM E. SMITH, Chief Judge.

Magistrate Judge Lincoln D. Almond filed a Report and Recommendation ("R&R") on November 14, 2017 (ECF No. 68) recommending that the Court grant Defendant UTC Laboratories, LLC d/b/a Renaissance RX's Second Motion for Summary Judgment ("Motion") (ECF No. 60) and enter final judgment for Defendants as to each of Plaintiff's claims. Plaintiff has not objected to the R&R. After carefully reviewing the R&R and the parties' submissions, the Court ACCEPTS the R&R in its entirety and adopts the reasoning outlined therein. Accordingly, Defendant's Motion (ECF No. 60) is GRANTED; final judgment should enter for Defendants.

IT IS SO ORDERED.
